

# Appleby Community Farm

---

## CSA Terms of Agreement – 6 week mini-season

I appreciate locally grown, organic produce and want to ensure that it remains available by participating in the Appleby Community Farm (CSA) Program.

I understand that the farmers, Bryan and Cindy Pruett, pledge to do their best to provide the vegetables, fruits and herbs they propose at the times they estimate. However, as a shareholder in both the bounty and the risk, I understand that nature ultimately decides what I will receive and when I will receive it. I have read the **refund policy** (below) and understand there are no refunds after the CSA begins. However, if I find a replacement, I may sell or transfer my share to another party, with the approval of Appleby Community Farm.

\_\_\_\_\_ I have read and agree to the terms and conditions of the CSA.
